BOUTIQUE CHAMPAGNES FROM HENRI'S RESERVE

CONCIERGE SERVICE & BESPOKE CORPORATE GIFTS

The Joie de Champagne

Dear Bon Vivant,

Oh, the joys of a well funded expense account and business travel to Champagne! Even better than the five star indulgences, 10,000 calorie dinners and gazillions of frequent flyer miles, was the discovery of the mysterious and secretive world of small, family estate Champagnes.

These delicious treasures are the darlings of the world's most celebrated sommeliers and wine critics. And unlike mass produced "Grand Marques", these small artisanal Champagnes reflect the terroir of Champagne's finest private vineyards, the artistry of the winemakers and the legacies (and sometimes eccentricities!) of their founding families.

It was from this tantalizing discovery that Henri's Reserve was born. I hope you'll find we are more than just the source for exquisite Champagnes; but the beginning of a journey that will lead you into first-time bubbly experiences (may I recommend Henri's Tasting Soirée?) and a "go to" for creative gifts.

Allow Henri - our utterly charming, roguish and disarmingly brilliant guide - to be your personal chef de cave. Grab a flute or a coup and indulge your Joie de Champagne!

Stock up, gift away and enjoy a very bubbly holiday!

Santé!
